

# 90cm Gas Cooktop with Black Glass Surface

## ILBV905

LIVE WITH  
**iLVE**

### Colour Palette

Black Glass

### Bevelled Edge Finish

The entire outer edge of the hob is bevelled, bringing an appealing design finish to your kitchen surface.

### Tempered Glass Surface

Constructed from an 8 mm sheet of tempered glass which provides stability, safety, strength, elegance and style to our range of gas on glass hobs.

### High Powered Wok Burner

Perfect for cooking with broad-based pans and Wok pans it allows you to just use the low setting for simmering sauces or the entire burner power for intense high heat cooking.

### Individual Cast Iron Trivets

The individual square-based trivets provide excellent stability for the pots. Thanks to their heavy duty construction, they are durable and long lasting.

### Brass Burners

More efficient than regular burners, they provide improved gas flow and power use without increasing consumption.

### Cast Iron Cradle

Essential for cooking with small pans or for using traditional coffee pots, this new cast iron cradle provides improved stability.

### Steel Burner Housing

The steel burner housing keeps glass away from heat source and collects liquid due to accidental spills.

# 90cm Gas Cooktop with Black Glass Surface

## ILBV905
