

1220mm Stainless Steel Outdoor Canopy Rangehood

Product Details

FEATURES

304 commercial grade stainless steel

3 speed fan control plus turbo setting

Conversation friendly operation noise

BENEFITS

Twin fan powerful extraction. Minimise grease and smoke when cooking on your BeefEater barbecue. Featuring powerful twin motors for intense extraction at 3 different fan speeds, plus a turbo mode for those extra smokey cooks.

Stainless steel baffle filters
No fuss, easy to clean stainless steel baffle filters saves you time on scrubbing to ensure efficient running of the rangehood.

Remote control
Have the option and convenience to control your rangehood, without having to get up thanks to the included remote control.

54 dBA noise level
The high performance, low noise electric motors offer strong absorbing suction for the elimination of grease, smoke, and other unwanted air particles around the cooking area.

Specifications

Terms and Conditions

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
