- Adjustable levelling feet (front)

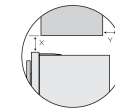

DIMENSIONS

Total height (mm) - 1605, Total width (mm) - 540, Cabinet width (mm) - 540, Total depth (mm) - 615, Cabinet depth (mm) - 540, Depth door open 90degree (mm) - 1108, Air space at sides (mm) - 30, Air space above door (mm) - 90, Air space behind (mm) - 50, Food compartment capacity (gross in litres) - 199, Total Gross Capacity (L) - 276, Air space above cabinet (mm) - 90, Freezer compartment capacity (gross in litres) - 77

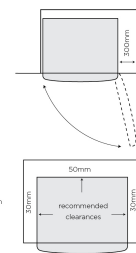

Recommended minimum clearances

Please note: Doors are designed to sit proud of cabinetry (not flush).

If you have a cupboard above the refrigerator with a rear gap of less than 50mm (X), recommended minimum clearance at the top of the refrigerator increases from 30mm to 70mm (X).

When positioned in a corner, the clearance must be at least 50mm on the hinge side to allow the door to open smoothly so that bins and shelves can be removed easily.
