## **MULTITAP™ 3N1.** **COOL, HOT AND STEAMING HOT WATER**

The reasons we fall in love with Italian products is their Passion and Purpose and Multitap is a testament to this commitment. We are proud to be able to now offer instant steaming hot water as a function of a standard kitchen tap mixer. Designed and manufactured in Italy this high quality tap brings contemporary style to new and existing kitchen spaces.

### **MultiTap™ 3N1**

- Instant steaming hot water as well as regular cool and hot water from the one tap
- Elegant one piece design
- Allows for a more efficient use of space and time
- Safety locking mechanism

### **NeoTank™**

- Precise temperature control:  $\pm 0.5^{\circ}\text{C}$  ( $\pm 09^{\circ}\text{F}$ ),
- 100% welded and brazed hot water tank designed with no seals
- Touch-panel display, with electronic thermostat and trouble-shooting fault Indicators
- Dry start protection
- The 2.5L capacity allows the consumer to heat only what they need while conserving energy for environmental stewardship.
