RRP AUS \$2,299.00

## Product Details

### FEATURES

---

Dark Stainless Steel

Baffle filter

Hob2Hood

Breeze function

700m3/hr extraction

Intensive extraction setting

Electronic touch controls

LED lights

---

### BENEFITS

---

#### ATTRACTS AS IT EXTRACTS

AEGs baffle filter design is sleek and functional. The durable stainless-steel filter efficiently extracts vapours, absorbs odours and filters grease to prevent build-ups in order to optimize the airflow. Its easy to remove and replace, and is dishwasher safe.

#### THE HANDS-FREE HOOD

The Hob2Hood function controls your cooker hoods fan and lights, automatically regulating the fan leaving your hands free and mind clear to focus on cooking. If youd prefer to adjust the fan speed yourself, there are manual controls on the cooker hood too; its your choice.

---

#### A BREATH OF FRESH AIR

Activate Breeze Function after cooking for additional, effortless extraction of unpleasant odours that youll barely hear, cleaning your kitchen air quietly. The extraction level is cut to awhisper-quiet minimum after youve finished cooking.

#### LET'S CLEAR THE AIR

Intense levels of extraction efficiently remove cooking odours and vapours so you can enjoy fresh kitchen air, faster.

---

#### BENEFIT FROM LONG-LASTING LIGHTING

Clear, bright LED lighting comes into its own in the kitchen, making ideal task lighting when cooking over a cooktop. And more good news, it's long-lasting and energy-efficient, too.

---

## Specifications

### PRODUCT PROFILE

Domestic warranty details (yrs)	5
Type of Rangehood	wall mounted canopy
Nominal width	90
Finish of Rangehood	Dark stainless steel

### DIMENSIONS

Total product height (mm)	1210
Total product width (mm)	898
Total product depth (mm)	460

### MOTOR/FAN

Number of fans	1
Number of fans speeds	4
Variable speed control	Yes
Auto off	Yes
Type of motor	centrifugal
Maximum airflow M3/Hr	700
Noise level dB low	52
Number of motors	1
Wattage of motor	270

### POWER

Electricity supply required (Kw)	0.273
Connection plug	10

## DIMENSIONS

---

Diameter of ducting (mm)	150
--------------------------	-----

---

Minimum installation height from cooking surface Gas (mm)	650
---	-----

---

Minimum installation height from cooking surface Electric (mm)	600
--	-----

---

Maximum canopy chimney height (mm)	1150
------------------------------------	------

---

Flue cover depth (mm)	260
-----------------------	-----

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

Electrolux Home Products warrants that for domestic applications the AEG appliances featured are free from defects in materials and workmanship for 5 years (3 months warranty for commercial applications). All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
