

Eneo Double Robe Hook

EN09

Finishes available: Chrome, Matte Black, Satin Nickel PVD, Rose Gold PVD, Brushed Rose Gold PVD, Brushed Brass PVD, Brushed Gun Metal.

By combining the square geometric form with the gentleness of curved corners, the Eneo double robe hook has perfectly captured today's design trend. That trend is contemporary luxury. Contemporary, though the use of straight lines. Luxury, through generous proportions, softened edges and chrome plated brass construction.

What is PVD?

PVD (short for Physical Vapor Deposition) is a way of coating products so that the finish has superior wear and corrosion resistance with a higher hardness than electroplating.
