

# NN-ST665BQPQ

32L Black & Stainless Steel Inverter Sensor Microwave Oven

# ST665B

**INVERTER**

## KEY FEATURES & BENEFITS

### Inverter Technology

Panasonic's Inverter Microwave Technology provides graduated power control allowing to deliver more evenly cooked food, preserving texture and flavour, and preventing spill over and burnt edges

### Genius Sensor Cooking

Pre-programmed cooking cycles with sensor automatically adjusts the cooking time & power levels, with a touch of a button.

### Inverter Turbo Defrost

Panasonic's unique Inverter Turbo Defrost sequences microwave energy in a new and efficient way, resulting in fast, throughout defrosting.

### Contemporary and stylish design

The NN-ST665BQPQ offers a modern and sophisticated look to any kitchen setting thanks to the door made of stainless steel coating which is combined with a black body.

### Total built-in package

Built-in trim kit is also available.
