KEY FEATURES & BENEFITS

ULTIMATE CONVIENCE

The NN-CS89L offers you everything you need in a microwave oven, including 2 level cooking, combination cooking options and 36 Auto programs – saving you time in the kitchen.

HIGH DENSITY STEAMING

NEW

Using two outlets to produce approximately 1.7x more steam than the previous model, the NN-CS89L is able to achieve higher temperatures faster, whilst ensuring your food steams in perfect conditions.

EASY TO CLEAN FLAT HEATER

NEW

Not only does the flat heater offer more even cooking results, it also means a flat surface for cleaning – keeping your microwave oven more hygienic.
