RRP AUS \$899.00

Product Details

FEATURES

Full Wash 60

Our Full Wash 60 lets you wash an entire load of normally soiled items in just 60 minutes without compromising on the wash result.

Daily 39

A fast 39 minute wash for a larger load up to 5.5kg, you can have your fashion favourites cleaned quickly without having to sacrifice on the quality of your wash.

Quick 15

A quick 15 minute wash for small or delicate loads up to 1.5kg. Ideal for cleaning and refreshing any urgent items you might need.

Add Clothes

With our Pause To Add Clothes function, you can quickly add those forgotten items. It can only be used when the water level is below the door and on programs where the water temperature is less than 60 Celsius.

Hygienic Care option

Inverter motor

The inverter motor delivers quieter operation, improvements in energy efficiency and improved durability, backed by a 10 year parts and labour inverter motor warranty ensuring peace of mind.

Liquid or powder detergent drawer

High spin, less dry time

Delay end option to plan when your wash finishes

BENEFITS

HYGIENIC CLEAN. VAPOURCARE

Electrolux front load washers with vapour option removes up to 99.2% of Der f1 (dust mite) and Fel d1 (cat allergen) and up to 99.9% of Staphylococcus aureus and Klebsiella pneumonia during a 40C cottons wash.

FAST, FLEXIBLE CYCLES

Adapt your laundry load to suit your schedule. The Quick 15 Cycle delivers an efficient, 15-minute wash suitable for a small amount of clothes or single items. The Daily 39 program is ideal for your soiled daily loads. And for a regular full load, set to the Full Wash 60 cycle, the ideal one-hour program.

CARE FOR YOUR WARDROBE

Cottons, delicates, white, or colours, the UltimateCare washer gives you the flexibility to adapt the cycle temperature depending on the fabric type. Select from 6 temperature settings to ensure that all your fabrics are washed with the right level of care.

CONVENIENTLY ADDCLOTHES

Have you ever started a wash cycle only to realise that you've left a sock at the bottom of your laundry basket? The AddClothes function allows you to pause the wash to add forgotten items up to 15 minutes after the cycle begins.

QUIETLY EFFICIENT

Reduce your energy needs by up to 50% with a powerful and reliable EcoInverter motor that cuts vibrations and noise to the barest whisper. With the 10 year parts and labour inverter motor warranty your Electrolux will deliver, wash after wash, year after year. *vs Electrolux non inverter motors

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
