LED lighting	More environmentally friendly refrigerant (R600a)	Door alarm	Frost-free system
Quick chill function	Quick freeze function	Holiday energy efficient mode	Egg tray

BENEFITS

Understanding new capacity and energy ratings
From the 15th August 2021, the way refrigerators are tested to calculate Energy Star Ratings and energy consumption have changed. This means that the capacity and energy rating calculations have changed, however the product remains unchanged. Be sure to check all new ratings to ensure that your comparisons are consistent with the new standards.

Dual Freezer Storage
With extra freezer space, you can arrange your frozen items in a way that suits your lifestyle. Place the most important items like ice cream in the top drawer and pre-prepared meals when mums away in the bottom drawer.

SmartSplit Door Design
Optimally split doors give you more usable space in your fridge door. You can reach larger items in a quick and easy manner, saving you the need to open both doors every time.

FreshSeal™ Easy Glide Crispers
FreshSeal crispers with automatic humidity control give you the flexibility to look after your fruit and vegetables the right way. Designed with your comfort in mind, the easy glide crisper bins open effortlessly and provide easy access even when theyre full.

Filtered Ice and Water Dispenser

The dispenser provides fresh, filtered water as well as cubed or crushed ice at the touch of a button for all your family needs

Slide Back and Flip Up Shelves

The flexibility to slide back or flip up some of the fridge shelving makes fitting those extra tall items or large platters a piece of cake.

SnackZone

The SnackZone is the ideal compartment for family favourites. The optimal height for even the smallest family members to reach, ensuring healthy snacks are always available.
