

9kg front load washer, with SensorWash technology and 5 star energy and 4.5 star WELS rating. This washer features the latest twin sensor wash technology, UltraMix + Jet system, Woolmark Blue certification and vapour refresh options.

RRP AUS \$1,449.00

Product Details

FEATURES

Gentle Drum

More smaller holes allow water to pass in and out of the drum quickly, while also helping to reduce pulling of your clothes during high-speed spinning.

Extra-Large Door Opening

Add Clothes

With our Add Clothes function, you can quickly add those forgotten items. It can only be used when the water level is below the door and on programs where the water temperature is less than 60 degrees Celsius.

5 Energy Stars rated

Save your favourite program

Woolmark Blue Certified

High performance 1400 rpm spin cycle

EcoInverter

The ecoinverter motor delivers quieter operation, improvements in energy efficiency and improved durability, backed by a 10 year parts & labour inverter motor warranty ensuring peace of mind.

BENEFITS

Hygienic Care

Electrolux front load washers with Hygienic Care option selected remove up to 99.2% of Der f1 (dust mite) and Fel d1 (cat allergen) and up to 99.9% of Staphylococcus aureus and Klebsiella pneumonia during a 40C cottons wash.

Intuitive and intelligent

Keep colours bright, whites startling and blacks dark. Smart sensors automatically detect the soil and detergent levels to adjust the washing time for optimal, energy-efficient results that reduces unnecessary wear on fabrics.

Extra-Large Door Opening

The extra-large door opening was designed to make loading and unloading your machine a breeze. With easy access to the inside drum, you will enjoy better visibility so you never miss those smaller items.

Quietly efficient

Reduce your energy needs by up to 50% with a powerful and reliable EcoInverter motor that cuts vibrations and noise to the barest whisper. With the 10 year parts and labour inverter motor warranty your Electrolux will deliver, wash after wash, year after year. *vs Electrolux non inverter motors

Hand it to us

You can safely trust your Electrolux to treat your delicate wool garments with utmost care. Our wool cycle is proven to be gentle enough even for your hand wash only woollens, keeping them as fresh and lovely as they felt when you first put them on.

Deeper clean

Say goodbye to detergent or soil residue on your freshly washed garments. UltraMix ensures detergent is fully dissolved before it reaches your fabrics for 40% less colour fading after 52 washes, even using cold water.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
