BENEFITS

Chill out with Quick Freeze Quick Freeze brings the temperature of your freezer down to freeze food quickly. Keeping food frozen after your grocery shop will mean fresher, tastier and more nutritious food that lasts longer.	Hovering door The hovering door design allows you to open and leave the door at any angle between 30 and 60 degrees, allowing you to pack or unpack your freezer without the need to hold up the freezer door.
Removable baskets Baskets can be removed to allow more storage space. When in use they keep the freezer neat and organised.	Power off protection This new chest freezer is able to keep the inside temperature at 0 degrees for up to 135 hours after powering off.
Ultra-thin hinges Short on space? The ultra-thin hinges on the chest freezer, allows you to place it right up against the wall.	Recessed Handle This modern design of the luxurious recessed handle in round corner, perfectly fits into any existing kitchen design and easy to clean
Mechanical Control Simply turning the temperature knob, you can set the temperature of the cabinet as you need, making sure that all kinds of food will be kept in the right condition.	R600a refrigerant More environmentally friendly
