

SOPA6102TS

60CM LINEA PYROLYTIC OVEN

MADE IN ITALY
Since 1948

PYROLYTIC CLEANING

Smeg's pyrolytic cycle locks the door and heats the oven to around 500°C. This process carbonises food residue or burnt-on grease to a small amount of ash, which can be simply wiped away. Smeg also has Eco Pyro – to reduce energy consumption.

SOFT CLOSE DOOR

The new soft-close mechanism on Smeg's oven doors ensures a two-stage soft and quiet close. Smeg's quality hinges also ensure the door will not drop on opening, an intrinsic safety feature.

EVER CLEAN ENAMEL

The superior quality of Smeg's signature Ever Clean enamel, which is highly durable and easy to clean, is the result of nearly 70 years of enameling expertise; ensuring long-life performance of every Smeg oven.

MINIMALIST DESIGN

Distinctive products that incorporate modern minimalist design trends, the Linea aesthetic is characterised by symmetrical lines, balance and light. Any combination of premium Linea appliances will make a real style statement in the kitchen.

EAN	8017709313852
