TAPWARE COLLECTION

Inspired by the emerging fashion of modern Australia, our Caroma Vogue Collection represents the best of Caroma's leadership in bathroom design and is sure to make a statement in any home.

Creating your own home has always been part of the Australian dream; the opportunity to design a unique space that both complements and elevates your individual style. The Caroma Vogue Collection will provide you the freedom to create your dream bathroom; one that enables an experience of personal luxury through customising key design elements and durable colour finishes.

The collection proudly represents fashionable Australian styles, made from the highest quality materials and incorporates the latest in sustainable innovations.

“Minimalistic style, clean lines and symmetry defines the **Liano II Tapware Collection**. It's the collection you need to make a statement in your home. Combined with a contemporary range of stunning colour finishes to provide an even greater design flexibility and expression.”

# LIANO II

TAPWARE COLLECTION

Created with *flexibility* in mind...

The refined and minimalistic appeal of the Liano II Tapware Collection is the perfect foundation to any bathroom. Let your personal expression shine as you mix and match elements and select from the stunning range of colour finishes to co-ordinate your bathroom vision.

Available in a beautiful and highly durable palette of 5 colour finishes, the collection can be tailored to suit a range of styles and tastes, making it our most customisable Caroma collection yet.

The collection features Caroma Easy-Switch, the universal in-wall body system that gives you ultimate flexibility.

The in-wall mixers have unique flexibility in that the trim kit, colour finish and design can all be interchanged pre or post installation – eliminating costly hold ups as well as allowing you to quickly and easily update the design, colour and style without costly rectification work. Trim kits are available in 5 colour finishes.

Caroma EasySwitch is the universal in-wall body system that fits every Liano II tapware and Urbane II product to give you the ultimate flexibility when choosing your bathroom fittings.
