

OB60B77DEX3

60CM DOUBLE

BUILT-IN OVEN

Fisher & Paykel ovens are designed with simply perfect cooking in mind. The OB60B77DEX3 gives you the flexibility to prepare several courses simultaneously with a full size and half size oven combination. Clean lines and flat panelling in glass and stainless steel complement the style and elegance of any modern kitchen.

MODEL	OB60B77DEX3
Total Capacity+	45 + 71L
Usable Capacity+	36 + 58L
Dimensions	H888 x W595 x D567mm
FEATURES	BENEFITS
7 Oven Functions (Both Cavities)	The range of oven functions allow for a variety of food to be cooked to perfection: Defrost, Bake, Fan Bake, Fan Forced, Grill, Fan Grill and Warm.
3000W (Main)/ 2700W Grill Element, Drop Down Element (Main Oven)	Provides even heat output for optimum grilling performance. The bottom ovens grill element can be dropped down for easy cleaning.
Electronic Clock	Provides a range of features including automatic cooking which allows you to pre-programme the cooking function, start and end times, an illuminated display, semi-automatic cooking and a timer.
Triple Glazed Door and Cavity Cooling System	Specially designed system minimises heat transfer by circulating cool air around the oven. This protects kitchen cabinetry and ensures the external surface of the door remains at a safer temperature to touch.
Side and Rear Self-cleaning Catalytic Panels (Main Oven)	Makes cleaning the oven much easier by absorbing and removing oil and fat splashes during normal cooking, saving hours of difficult manual cleaning.
Safety	Telescopic slide runners allow the shelving to slide effortlessly in and out of the oven making access to hot food safer and easier.
6 (main) and 4 (top) Shelf Position Racking System	Maximises the available space in the oven cavity for more cooking.
