ActiveSmart™ Fridge - 790mm Bottom Freezer 519L

With door and handle options to suit your style, our ActiveSmart™ fridges are designed to match Fisher & Paykel's family of kitchen appliances as well as your lifestyle. ActiveSmart™ fridges combine premium detailing, intelligent design features and food care solutions that help keep your food fresher longer.

EZKleen Stainless Steel

Dimensions

Depth	695mm
Height	1720mm
Width	790mm

Features & Benefits

ActiveSmart™ Foodcare

ActiveSmart™ Foodcare combines temperature sensors with smart electronics to create a controlled environment and optimum temperature for better food care.

Humidity Control

The Humidity Control System combined with ActiveSmart™ Foodcare creates a microclimate in each produce bin, maintaining fruit and vegetable quality at just the right humidity and temperature level.

Storage Flexibility

Optimal fridge organisation helps to streamline food preparation. This is achieved with features such as flexible shelving, flexible storage options and easy-to-access bins and trays on full extension runners.

Fresher Food for Longer

Every time your fridge door opens, the temperature changes around your food. ActiveSmart™ Foodcare intelligently adjusts air flow to create an even temperature that helps your food stay fresher for longer.

Easy Living

These fridges adapt to suit your lifestyle by streamlining food preparation and organisation with SmartTouch controls, flexible shelving and storage options and slide out bins and trays.

Easy Cleaning

Removable, spill-safe glass shelves are easy to clean and contain drips and spills. Storage bins and white steel doors just need a wipe to keep spotless.

Efficient

ActiveSmart™ fridges intelligently adapt to daily use to save energy – cooling and defrosting only when they need to without compromising on food care.

Specifications

Capacity

Freezer	159 L
Refrigerator	360 L
Total gross capacity	519 L

Consumption
