## Front Loader Washing Machine, 8.5kg FabricSmart™

This Fisher & Paykel 8.5kg front loader washing machine provides premium fabric care and wash performance, with 13 wash profiles, fast cycle times and a 5-star water rating.

White

### Dimensions

Depth	645mm
Height	Ⓐ 850mm
Width	Ⓑ 600mm

### Features & Benefits

#### Wool and Sports cycles

Our Wool cycle has a Woolmark™ guarantee so you can wash your woollen garments with confidence. The Sports cycle starts washing with cold water that gently heats up, stopping mud and stains from setting into the fabric.

#### Timed dispenser

A liquid dispenser ensures detergent is distributed at exactly the right time in the cycle to optimize wash performance.

#### Stain removal

The Soak option carries out a one-hour soak and tumble cycle to help lift stubborn stains from various fabric types, saving you from hand washing.

#### Interior light

A handy interior light turns on when you open the washer door, providing improved visibility inside the drum.

#### Quick cycles

Vortex Wash speeds up the cleaning process so most cycles take less than an hour to complete. During the tumble action, water is forced from the bottom of the drum up through your clothes so detergent and heat reach your fabric faster.

#### Time Saver Wash Cycles

The Time Saver Option activates a special temperature profile and unique tumble sequence to speed things up even more when you are in a rush.

### Specifications

#### Consumption

Annual Energy Consumption	329 kWh/year
Energy rating	4
Water Consumption l/cycle	61 L
Water rating	5

#### Main Features

Capacity (dry load)	8.5 kg
