IMPORTANT

This basin is crafted from a natural stone which has its own charm and unique characteristics. Please be aware your basin may have more or less marbling and texture than pictured here.

CARE AND MAINTENANCE

- All surfaces should be frequent cleaned with a mixture of mild, pH neutral soap and warm water with a soft cloth
- Do not use abrasive clothes, scouring pads on surfaces
- Do not use harsh cleaning agents i.e. cream cleaners or citrus based cleaners (see *cleaning leaflet supplied with basin for comprehensive list*)
