## Benefits

### Removes odours and steam while cooking

Chef rangehoods are designed to remove unwanted odours and greasy steam during cooking, keeping the kitchen fresher and cleaner.

### Flexible Installation options

Chef provides additional flexibility when installing your rangehood with the option to recirculate or duct

### Keeping the air clean

Carbon filters given the extra odour filtration required when ducted installation is not an option for your kitchen

### Easy to maintain

Filters are easy to remove and can be washed in the dishwasher
