

CHEF cooking

RRP AUS \$949.00

Electric multifunction 5 single oven with programmable timer in white

Product Details

Features

Easy clean formed shelf supports

Cooler door temperatures with air cooled door

80 litre gross capacity oven

5 oven functions including fan forced

24 hour programmable timer

Product Details

Benefits

Contemporary and functional

The Chef range of cooking appliances has all the features you need in a design that you'll love

Easy to maintain

This Chef oven is easy to maintain with features such as moulded shelf supports, and an oven door that can be dismantled for cleaning

Multifunction for conventional and fan forced cooking

This multifunction oven allows you to perform both conventional and fan forced multi-shelf cooking. The large capacity means most family cooking needs can be easily catered for.

Cooler door

This Chef oven features an oven door with reduced temperatures due to the innovative design of the air-cooled door
