Product Details

Benefits

Effortlessly organise your busy life

Let us help you stay organised. With Time Adjust, you can increase or reduce the total wash times to fit in to your life. Plus, when used with the clever Delay End function, you can even decide when you want it to end. Now thats convenient!

Save time with fast wash programs

Sometimes you just need to get a few things clean fast and thats where the super Quick 20 minute program comes in handy. The Daily 45 minute program is ideal of your regular loads.

Simply save and use your favourite program with one touch Save time and make life a little easier by saving your favourite wash program. This easy to use feature allows you to save your most used cycle and then use it at the touch of a button.

Durable and easy to clean premium lid

The toughened glass lid is not only stylish but durable. Its scratch resistant flat surface can be used as an additional work space in your laundry room and best of all its easy to wipe clean.

Agitator wash action

With a gentle and effective agitator wash action, all of your clothes are in safe hands. Our proven top load washer agitator system ensures your entire load is washed evenly and gently. The agitator helps to prevent tangling during the wash and spin cycles.
