VOLCANO WOK BURNER

The Volcano burner has 3 functions:
Inner Flame: Used for wok cooking, a vast amount of heat is directed to the base of the wok, rather than around the sides
Outer Flame: Perfect for large pots and pans
Simmer Setting: Although this burner can produce a large flame, it can also be used for gentle simmering of a sauce for instance.

SAFETY

KidSafe - lockable control panel
Flame failure protection – no flame, no gas
Cooking time limiter (10 hours)
