**Freezer Drawer**
Divided by a Sliding Tray at the top that can be pushed back to reveal the rest of the freezer drawer. The Freezer Drawer is roomy enough to fit bulky items such as ice cream tubs, loaves of bread and frozen vegetables. The top tray is ideal for storage and organisation of flat pack items such as meat packs.

**Supercool Freezing**
Ensures food is frozen evenly, minimising cell destruction, preserving its freshness, texture and locking in maximum flavour.

**Energy Rating**
Achieving a 3.5 star energy rating, one of the highest for a refrigerator of this capacity (according to a comparison on energyrating.gov.au 08/04/2015). The higher the energy rating, the lower the power consumption costs will be over time.

**Supercool Chilling Case**
The Supercool chilling function is ideal for storing meat, fish, or other perishable food without freezing it, at about -3°C to 0°C. This provides the convenience of food ready to cook without the need to defrost it. (MR-WX743)
