

HC90CGX1

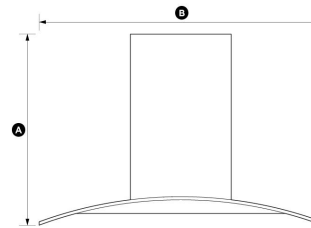

Wall Canopy Rangehood, 90cm, Glass

This Fisher & Paykel 90cm wall canopy rangehood with glass is a stylish addition to any kitchen.

Brushed Stainless Steel

Dimensions

Depth	500mm
Height	Ⓐ 820 - 1070mm
Width	Ⓑ 900mm

Features & Benefits

Effective and quiet

This rangehood offers three fan speeds that quietly and efficiently remove steam and odours from the kitchen. Odours can linger in the kitchen well after cooking, so the practical timer keeps the rangehood working for up to 15 minutes before it automatically turns itself off.

Designed to match

This rangehood can be built into your cabinetry for a seamless look. Its black glass control panel and stainless steel finish is designed to match the rest of Fisher & Paykel's kitchen appliance family.

Easy cleaning

Multi-layered filters effectively trap grease. Designed for simple removal, the filters are easy to clean and dishwasher-safe.

Simple to use

The intuitive control panel responds to the touch of your finger. Halogen lights provide superb illumination over the entire cooking surface, while dimmable lighting enables you to create the perfect level of illumination.

Specifications

Cleaning

Dishwasher safe filters	3
