

HP90IDCHX2

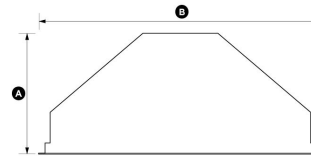

Built-in Rangehood, 90cm, Integrated

This Fisher & Paykel 90cm integrated rangehood is built into your cabinetry for a seamless look.

Black glass

Dimensions

Depth	280mm
Height	A 315mm
Width	B 830mm

Features & Benefits

Effective and quiet

Odours can linger in the kitchen well after cooking is finished. Three fan speeds with power extraction ensure steam and odours are quickly removed.

Easy cleaning

The glass and stainless steel finishes are easily wiped clean and the filters are simple to clean and dishwasher safe. An alert reminds you when to clean the filter and ensures you get the best performance out of your rangehood.

Simple to use

The intuitive control panel responds to the touch of your finger. Low-power LED lighting keeps energy usage to a minimum while providing superb illumination over the entire cooking surface.

Designed to match

This rangehood can be built into your cabinetry for a seamless look. Its black glass control panel and stainless steel finish is designed to match the rest of Fisher & Paykel's kitchen appliance family.
