

OB60SC8DEPX2

Built-in Oven, 60cm, 85L, 8 Function, Pyrolytic

Contemporary

With generous capacity and beautiful contemporary styling, this built-in oven will complement your kitchen design perfectly.

Brushed Stainless Steel with black glass

Dimensions

Depth	565mm
Height	598mm
Width	596mm

Features & Benefits

Multi-function flexibility

Eight functions including Pizza Bake, Fan Grill and Fan Forced mean no matter what you're cooking, you've got the right heat to match.

Generous capacity

With a generous sized internal cavity, you can create several dishes at once using multiple shelves.

Perfect results

With ActiveVent technology for optimised moisture levels and AeroTech for even heat distribution, you'll get perfect results even when using multiple shelves.

Cleaning is simple

Pyrolytic self-clean breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth.

Refined styling

With sophisticated handle styling and brushed stainless steel finish, our built-in ovens are designed to match the rest of Fisher & Paykel's kitchen appliance family.

Safe and sound

The CoolTouch door features triple glazing and a cooling system that ensures it's safe to touch from the outside - protecting both your hands and the surrounding cabinetry.

Specifications
