

OR90SCG1X1

Freestanding Dual Fuel Cooker, 90cm

 Classic

This 90cm Fisher & Paykel Freestanding Dual Fuel Cooker lets you cook several dishes at the same time with its spacious gas cooktop and large capacity convection oven. With heritage styling and a brushed stainless steel finish, this Cooker becomes the centrepiece of the kitchen.

Brushed Stainless Steel

Dimensions

Depth	600mm
Height	898 - 946mm
Width	897mm

Features & Benefits

Quality and durability

Every detail has been carefully crafted, from the solid balanced door, durable cooktop trivets and large capacity oven.

Impressive capacity

With an extra large 140L capacity, this range has plenty of space for cooking multiple dishes at the same time.

Burner power & control

Instant and immediate control from the highest to the gentlest heat. The finely tuned cooktop controls let you sear and stir fry over powerful heat, or simmer a delicate sauce to perfection.

Even heat

Dishes on the top shelf turn out as perfectly as the ones on the bottom, due to our AeroTech™ convection system that circulates air evenly throughout the entire oven.

Easy to clean

Your cooktop simply needs a quick wipe to keep it looking good as new for years to come, as the gas cooktop is made from a single piece of stainless steel that contains spills. The oven door, its inner pane of glass and runners can also be removed for easy cleaning.

Safe and sound

The door and cavity cooling system keeps the heat on the inside, protecting your hands and surrounding cabinetry. The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished.

Specifications

Accessories

Chromed shelf runners	1 set
Flat wire shelf	1
Full extension sliding shelves	Optional (part 578744)
