44L black 9 function compact combination microwave oven with full touch control and 13 auto cook programs

Product Details

FEATURES

Fan forced with microwave function	9 functions	13 auto cook programs	Auto defrost by weight
Fully programmable timer	5 power levels	Electronic clock	Childproof lock

BENEFITS

BAKE. ROAST. RE-HEAT.
This appliance puts the 'oven' in 'microwave oven' by taking your microwaving ability to the next level. By using the convection heating function, you can now roast a whole chicken with perfectly crispy skin or bake muffins, bread, and cakes in your microwave.

SEAR. CHARGRILL. MELT.
The grill function elevates your cooking far beyond just warming your food. Now you can brown and sear meat, chargrill vegetables, and melt cheese in one compact appliance.

COOK EVERY DISH WITH A TOUCH
Auto Program includes thirteen preset options that automatically adjust time and power for your meal. Whether you are cooking vegetables or reheating leftovers, it supports consistent results with no extra effort.

HEAT FOOD FASTER
With 900W of power, your food is heated evenly and efficiently. Whether reheating leftovers or warming a late meal, enjoy quick, thorough results every time.

EASY CLEAN INTERIOR
While drips and baked-on splatters happen to every enthusiastic home-chef, this internal cavity is so easy to clean that you can keep it spotless without too much scrubbing.

FAST, EVEN DEFROSTING
Thaw food quickly and evenly with the convenient automatic defrost function. This setting intuitively delivers the right amount of power and time needed to restore your frozen ingredients to their ready-to-cook state.

Specifications
