

DRYER

ADE3TR ELECTRIC

ADG3TR GAS

MADE IN AMERICA, BUILT TO LAST SINCE 1908

Speed Queen®

PROVEN PERFORMANCE SINCE 1908.

From Australian mines and oil rigs to the US Army, Speed Queen has over a century of experience washing in the harshest environments around the world, earning a reputation for reliability and performance.

Now available the toughest dryer in its class, you can get Speed Queen's uncompromising commercial quality performance at home.

For the perfect pairing match with Speed Queen's high capacity top load washer.

**EVERY DAY,
EVERY CYCLE,
SPEED QUEEN
PERFORMS.**

Manufactured by the world's number one commercial laundry company, every Speed Queen model is tested to its limits and beyond, and benchmarked against the competition to ensure it outperforms and outlasts the rest. With matching rear controls to the Speed Queen Top Load washer, you can take home a commercial grade machine, designed to last a lifetime of home use.

BUILT TOUGH

Three-coat, commercial-grade steel cabinet will look good and last for years to come.

EXTRA CAPACITY

Large 198 litre capacity cylinder, rated to 9kg with the largest door opening means it can handle the biggest loads, so you spend less time in the laundry.

ENERGY EFFICIENT

Three temperature setting options and auto dry feature ensure the dryer does not over dry items wasting valuable time, energy and money.

FABRIC CARE

Whisper quiet, superior airflow of 85 litres per second results in faster drying with less wear, and less wrinkling of clothes.

WARRANTY

Five years parts warranty on base cabinet assembly against rust and corrosion from the inside out.

MATCHING TOP LOAD WASHING MACHINE: AWNA62
