Precision Power for Great Taste
The cooking surface is driven by a powerful wok burner that delivers intense, consistent heat. With uncompromising power behind every flame, you can count on perfectly even cooking, exactly the way you like it.

Effortless entertaining
Turn everyday outdoor entertaining into a gourmet experience. The optional integrated burner is designed to sit alongside the integrated barbecue. With uncompromised power and lashings of style, you can easily cater to any number of guests and their tastes.

Precision Control, Instinctive Operation
Designed for both form and function, the ergonomic controls enhance any suitable bench or workspace with refined ease. The intuitive power level indicators eliminate guesswork, for precise, consistent results.

Freedom to Create the Outdoor Cooking Space of your Dreams
Optional Trim Kit Sold Separately reduces the surface temperature of the bench surrounding the barbeque, so that you can install the product in a greater variety of benchtops.

Unlock Ultimate Versatility: Must-Have BBQ Accessories for Every Cooking Style
Our broad range of optional extras can help you create your perfect barbecue. Plus, whether you prefer an open grill or a solid hotplate, our range of customisable cast iron furnishings offers different cooking configurations to suit your needs.
