

OB60SL11DEPB2

## Built-in Oven, 60cm, 90L, 11 Function, Pyrolytic

### Contemporary

A highlight of the Fisher & Paykel kitchen collection, this oven has a generous capacity and complements any kitchen design.

### Black glass

## Dimensions

Depth	577mm
Height	598mm
Width	597mm

## Features & Benefits

### Multi-function Flexibility

11 functions including Roast, Pastry Bake and Fan Forced mean no matter what you're cooking, you've got the right heat to match.

### Beauty of choice

As much a multi-function oven as a design component, the black built-in oven enhances your kitchen design without dominating it. It's understated and elegant whether on its own or part of a matching appliance set.

### Generous capacity

With a generous sized internal cavity, you can create several dishes at once using multiple shelves.

### Perfect results

With ActiveVent technology for optimised moisture levels and AeroTech for even heat distribution, you'll get perfect results even when using multiple shelves.

### CoolTouch door

The CoolTouch door features triple glazing and a cooling system that ensures it's safe to touch from the outside - protecting both your hands and the surrounding cabinetry.

### Cleaning is simple

Pyrolytic self-clean breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth.

## Specifications

### Accessories

Contemporary Round Handle Kit	Part 81645
Flat brushed baking tray	•
Flat wire shelf	•
Food probe	•
