

WH8560J3

Front Loader Washing Machine, 8.5kg QuickSmart™

This Fisher & Paykel 8.5kg front loader washing machine has 9 different wash cycles and can deliver you a clean load of laundry in under an hour.

White

Dimensions

Depth	645mm
Height	850mm
Width	600mm

Features & Benefits

Quiet performer

SmartDrive™ uses a direct drive motor removing the need for belts, pulleys and the traditional block designed to hold down the machine. Without these heavy components, there are less vibrations for a quieter wash.

Easy to use

This machine has a cycle to suit every load type including Cottons, Everyday and Delicates. Select a cycle with the easy to use SmartTouch™ control dial.

Quick cycles

Vortex Wash speeds up the cleaning process so most cycles take less than an hour to complete. During the tumble action, water is forced from the bottom of the drum up through your clothes so detergent and heat reach your fabric faster.

Saves water and energy

This front loader is one of the most efficient on the market with a 4.5-star water rating and a 4-star energy rating.

Specifications

Consumption

Annual Energy Consumption	320 kWh/year
Energy rating	4
Water Consumption l/cycle	73 L
