A reliable wash
The three stage filtration system results in a superior clean. Cup racks, wine glass supports and cutlery basket allow safe and easy cleaning of everyday items. A rinse aid indicator reminds you to top up for squeaky-clean dishes.

Flexible wash options
This dishwasher offers six wash programs including ‘Auto’, which automatically senses the optimal wash cycle for your dishes.

Quiet performer
Running at a low decibel rate, these dishwashers do their job without making a fuss. Even the end of cycle alerts can be turned off.
