Gas on Steel Cooktop 90cm 5 Burner, Flush Fit

This Fisher & Paykel 90cm gas on steel cooktop with five burners is designed to integrate perfectly with your kitchen.

Brushed Stainless Steel

Dimensions

Depth	530mm
Height	76mm
Width	900mm

Features & Benefits

Fits flush

This Gas Cooktop's burners are recessed into the work surface leaving the trivets flush and providing an integrated kitchen bench with a seamless look.

Clever cooking results

The consistent flame and heat distribution of the dual flame wok burner combined with the highly responsive dials offer precise heat adjustment that can perfect a slow simmer for sauces or an intense heat for searing steaks.

Designed to match

The brushed stainless steel has been designed for durability but also provides a modern, stylish finish, matching the Fisher & Paykel family of kitchen appliances.

Safe and sound

Intuitive dials glow red for on and white for off, showing from a distance which burners are lit. The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished.

Easy cleaning

The stainless steel component is easily accessible and quick to clean. Cast iron trivets provide a durable and stable cooking platform. Their rubber feet prevent them from scratching the cooktop.

Handy accessories

This cooktop comes with a small pan support and wok stand to complement different cooking styles.

Specifications
